**Biomedical Research Foundation PET Imaging Center**  
**1505 Kings Highway**  
**Shreveport, LA 71103**  
**(318) 675-4000 or Toll Free (888) 685-1152**

**Driving Directions**

**From South Louisiana:**

1. I-49 to Kings Highway - Exit 205.
2. Left onto Kings Highway; stay in the left lane.
3. Drive past Shriner's Hospital (on the left), then Long John Silver's on the right. When you see Long John Silver's, get in the turning lane and prepare to turn left.
4. Turn left on the street with the dark purple sign that says Medical School Drive.
5. Follow "Parking Lot/Building Entry Instructions" below.

**From 1-20 West: (from Monroe)**

1. I-20 West to the I-49 exit (exit 17B).
2. Exit off of I-49 onto Kings Highway (Exit 205) and turn right.
3. Drive past Shriner's Hospital (on the left), then Long John Silver's on the right. When you see Long John Silver's, get in the turning lane and prepare to turn left.
4. Turn left on the street with the dark purple sign that says Medical School Drive.
5. Follow "Parking Lot/Building Entry Instructions" below.

**From I-20 East (from Texas):**

1. I-20 East to the I-49 exit (exit 17B).
2. Exit off of I-49 onto Kings Highway (Exit 205) and turn right.
3. Drive past Shriner's Hospital (on the left), then Long John Silver's on the right. When you see Long John Silver's, get in the turning lane and prepare to turn left.
4. Turn left on the street with the dark purple sign that says Medical School Drive.
5. Follow "Parking Lot/Building Entry Instructions" below.

**Parking & Building Entry Instructions**

1. From Medical School Drive, drive under the crosswalk and continue forward until you are forced to turn left (into a parking lot) or right. Turn right and continue with a right u-turn into the parking lot in front of our building, the Virginia K Shehee Biomedical Research Institute. It is a 10-story building.
2. When you turn right into the parking lot there will be a gate; please press the middle button labeled "PET Center". A receptionist will open the gate for you.
3. Park and walk down the sidewalk on the left (South side) of the building (do not enter the double doors on the front of the building). Instead, walk up the South side of the building and at the end of the sidewalk there will be glass doors on your right. Enter those doors and look immediately to your right. On the wall in large letters it says Positron Emission Tomography Imaging Center. Enter our reception area through the wood door to the left of that signage.
